## Introduction

### Overview

Our topic is designing resume/cv using canva.we are created a resume with name ,phone number,email,address and location and then we list out our degree,institution name , graduation and relevant academic achievements and then we created relevant skills like, language skills and leadership abilities.

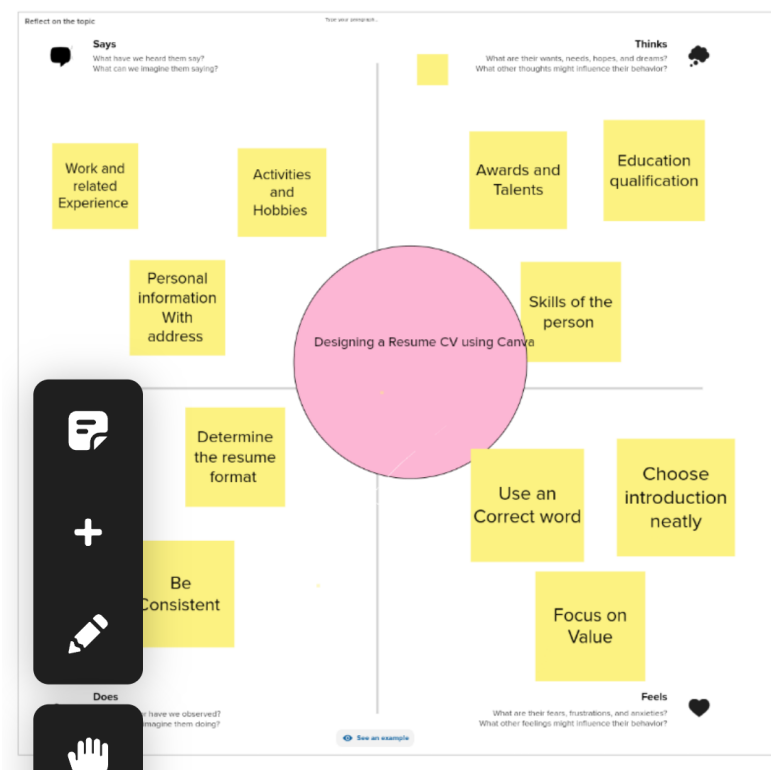

### Purpose

- A-well crafted resume demonstrate our professionalism.
- Resumes often serves as the basis for interview question.

## Empathy Map

# Brain Storming

## Result:

- To conclude our resume with include a section.
- This resume indicates our potential we are prepared to provide them with professional references.

### Advantages:

- Resumes provide a concise summary of our qualifications, skills, and experience.
- A well-crafted resume can create a positive first impression.

### Disadvantages:

- Employers may make judgements based solely on what's on our resume.
- Sometime resumes are relatively inflexible.

### Applications:

- Upload our resume to job search websites, portals.
- Submit our resume when applying for a job through e-mail.

### Conclusion:

- In conclusion, a well-crafted resume is an essential tool for qualifications, skills.
- Remember to maintain clarity, accuracy, professional format throughout.

### Future Scope:

- Resumes may integrate results from skill assessment.
- Resumes may link to online portfolios or personal websites, allowing employers to explore a candidate's problem
